## PREMIÈRES GRIVES

AVAILABLE IN  
37,5 CL HALF-BOTTLE

*Premières Grives*, Domaine Tariquet's signature off-dry wine is now available in 37,5 cl half-bottle with screw cap.

This half-bottle comes as an addition to the various formats of *Premières Grives* already available.

*37,5 cl half-bottle*

*75 cl bottle*

Made from Gros Manseng, a grape variety indigenous to the South West of France, *Premières Grives* is characterised by its great freshness with delicate exotic fruit, mango and apricot notes. It is at once round, rich, and very well-balanced.

Ideal as an aperitif, then with semi-cooked or pan-seared foie gras, a roasted free-range chicken, coconut milk shrimps, spicy dishes, hard or blue cheese. It also goes very well with a lemon meringue pie, a fresh fruit salad, a chocolate-strawberry macaron or a vanilla mille-feuille.

*Like all the wines and Bas-Armagnacs from Domaine Tariquet, Classic is suitable for vegans*

Domaine Tariquet is a family property that has belonged to the same family since 1912. As **wine grower** (*'propriétaire-récoltant'*), all the wines and Bas-Armagnacs of the estate are exclusively produced from the grapes harvested from the property's vineyards.

Concerned about protecting the environment, the Grassa family has been practicing **sustainable viticulture since the early 1990s** to protect soil life and develop biodiversity.

Domaine Tariquet was evaluated on the **CSR (Corporate Social Responsibility) Commitment label** in June 2021 and obtained, from the first audit, the 'Confirmed' status, third best ranking out of the existing four.
