

DOMAINE TARIQUET

Classic

**2022 VINTAGE,
A NEW BLEND OF 6 GRAPE VARIETIES**

After celebrating its 40th vintage, *Classic*, Domaine Tariquet's historical and emblematic dry white wine, transforms itself by becoming more premium and differentiating starting from the 2022 vintage.

The blend strongly evolves to offer more complexity, structure, length on the palate, aromatic strength, elegance, and personality, while preserving its refreshing and light character. The alcohol degree goes up from 10.5% to 11%.

The dry Gros Manseng now becomes the main grape variety (32%), Ugni blanc keeps a prominent place (25%), followed by Colombard (20%) and Sauvignon (15%). Chardonnay with 5% and Chenin with 3% invite themselves into the final blend providing it with unprecedented typicity and originality.

The pleasure of the gustatory experience is part of a moderate consumption.
