## Tasting notes

A nose of spice and blonde caramel, with nuances of quince paste, toast and cinnamon. On the palate, peppery orange zest evolves into even more caramel alongside roasted apples. A finish of chocolate and liquorice.

## Tasting recommendations

Our VS is the ideal companion for terrines and flambés. Its liveliness and freshness can be appreciated in cocktails, or simply straight-up as an aperitif, with or without ice, or after coffee at the end of a meal.
